
TAIWAN

Name: Yen-Ni Lo

Programs: ESL & Master of Business Administration (Degree)

When I first came to Nanaimo, I was amazed with this little town. It is a quiet town and a good place for study. Although Nanaimo is a very small city, it is a beautiful place. People are friendly here and the weather is very nice; not too cold in the winter and not hot in the summer. In the summer time, there are many outdoor activities that you can do in Nanaimo, such as horse riding, kayaking, bungee jumping, bathtub race, dragon boat festival and so on. In the winter, many people would go skiing and snowboarding up island. I really enjoy studying and living in Nanaimo.

I had a very good experience at Malaspina University College when I was in ESL program. Teachers were very nice and they all worked very hard trying to help international students with their studying and English skills. The English skills that I've developed in the ESL program are really helpful for my academic study. I've seen the development of our ESL program. At present, international students in this program can also participate in two academic courses, which is very good for those students who want to enter university in the future.

Currently, I am attending Malaspina's IMBA program and I feel that in this program I can really experience the multicultural learning environment by working with students from all over the world. Also, this is a very good experience to learn how to work with a multicultural team and make friends to build up networks. This experience will assist in students' future careers. I am really glad to be studying here.

當我第一次到 Nanaimo,對這個小城市非常驚訝。這裡非常安靜而且是一個非常適合學習的地方。雖然 Nanaimo 是一個小城市,但是很美麗。在這裡的市民很友善而且這裡天氣很好,在冬天不會很冷,夏天也不會很熱。夏天時, Nanaimo 有很多活動,例如,騎馬,划獨木舟,高空彈跳,浴缸船比賽,划龍舟比賽等等。冬天時,很多人都會去溫哥華島北邊滑雪和雪板。我真的很享受住在這裡和在 Nanaimo 讀書。

當我在 Malaspina 大學下的語言學校就讀時,我有一個很好的經驗。這裡的老師都很友善,而且很努力的教導國際學生和幫助我們學習。我在語言學校所學到的英語技能對我在上研究所時有很大的幫助。語言學校本身也一直在進步。目前,學生在語言學校就讀,同時還能最多選取兩課大學課程就讀。這對要上大學課程的學生來說是非常好的選擇。

我目前是在 Malaspina 的國際企業研究所就讀。在這個課程裡,我在一個多文化的環境和很多國家的學生一起唸書。這是一個很好的經驗去學習如何和一個多文化的小組一個合作而可以和多國的學生交朋友和建立好的人脈關係。此外,這個經驗也許將來對學生的職業有些幫助。最後,我真的很高興我有這個機會在這裡讀書。
