

***Celebrating 40 Years of  
Intercollegiate Athletics***

**BCCAA Week 2  
2009-2010**

**BCCAA**  
British Columbia Colleges' Athletic Association  
**SOCCER**

## Athlete of the Week - Award # 2

**MALE Recipient**

**Robbie Cochrane**  
**Men's Soccer**  
Vancouver Island University

Robbie is in his first year at VIU. A graduate of Ladysmith Sec., this 5'9" rookie, stood tall this past weekend with two hard earned shutouts against the UBC Okanagan Heat and the Thompson Rivers University Wolfpack.

On Saturday, Robbie stood tall and made some timely saves to help the Mariners win 2-0 against UBC-O. With little time to savor the shutout, the Mariners had another game on Sunday. Robbie backstopped his team to a 0-0 tie and a much needed point against a strong 2<sup>nd</sup> place TRU. Robbie now sits in top spot on the Goalie leader board with a 0.33 goals against average in 270 minutes of play. The only goal to beat Robbie this year came off a penalty shot

The Mariners now travel to Prince George to play a much improved UNBC squad that sits on top of Group A in the men's division.

**FEMALE Recipient**

**Aileen Holder**  
**Women's Soccer**  
Vancouver Island University

Aileen is in her 5<sup>th</sup> and final year of eligibility. Originally from Winnipeg, this outstanding athlete was also on the Mariner's 2008 National Gold Women's volleyball team. She is one of the strongest players in the league also one of the best in the air.

Aileen dominated both games with her composure, physical play and skill. She played 180 minutes this weekend in a demanding system for the midfielders. She was tough defensively and started most of the attacks offensively. On Saturday, Aileen scored the winning goal vs UBC-0 and on Sunday tied the game at 2-2 vs TRU before VIU finally won 4-3. Both of her goals came on headers off corners.

Next up for the Mariners is a grueling road trip to UNBC (Prince George) on Sept. 19, 2009

Week Ending Sunday, September 13<sup>th</sup>, 2009
